ACCESSORIES

Dear importers,

We are pleased to share with you the BSA accessories and clothing catalogue. In this catalogue you will find our range of clothing by Merlin, the famous British brand of motorbike clothing. You will also find our range of luggage, including racks, panniers, parcel carriers and many other accessories.

To ensure that all European dealers and importers are supplied, we're offering our accessories and clothing in packs of 75 items. This ensures that each of you can benefit from a consistent stock, in terms of number, variety and size. Once the packs are fully stocked, we'll open the accessories individually.

You will find below details of all our references and attached is the order form in EXCEL format, to be returned to us by e-mail.

Delivery of all the equipment is scheduled for the end of June.

Yours faithfully

The **BSA** team
